

TYNGSBOROUGH PUBLIC SCHOOLS

POLICY

DISSECTION

In accordance with the guidelines issued by the Massachusetts Department of Education, no student in the Tyngsborough Public Schools will be required to perform actual dissection when it is considered to be part of the approved curriculum.

PROCEDURE

When dissection is considered essential in understanding parts of the approved curriculum, students will be offered the following:

1. Participation in the actual dissection.
2. Alternative instructional material, i.e. video/slides/illustrations.
3. Other alternatives approved by the instructor.
