

**TYNGSBOROUGH PUBLIC SCHOOLS**

**POLICY**

**THREATS OF/OR ACTS OF HARM**

Threats of/or Acts of Harm will not be condoned within the Tyngsborough Public Schools, School sponsored activities and programming.

**PROCEDURE**

When a principal verifies that a student or staff member has made a threat of harm or committed an act of harm against him/herself or another, the principal may, upon review of the situation, remove the student or staff member from active participation in all school programming and activities.

This removal will remain in force until such time as the student or staff member can produce documents, from a medical authority, that he/she no longer represents a threat to him/herself or to others.
